March 9/10

## Prayers and Pizza

Dear Parish Family,

One of my best spiritual memories from my childhood is accompanying my parents on what they called "making a visit." Making a visit meant going to church for a little while in the middle of the week to say some prayers and usually to light a candle, which was always the most fun. It could also mean attending a novena in the evening or going to Eucharistic Adoration. Adoration was very interesting to me as a child. The singing of hymns like *Tantum Ergo* was haunting. Watching the priest swing the censer in blessing and the smell of the incense and of the sacrament always caught my attention. Most of all I remember it as a very peaceful time of quiet and silence in St. Luke's Church which, like our basilica, was especially beautiful. I was also learning, in unspoken words, about my parents' devotion. They made time apart from Sunday Mass to spend time in God's presence.

In this time of Eucharistic Revival in our country, more and more people are rediscovering the power of prayer before the Blessed Sacrament. The Eucharist is the source and summit of our life of prayer, but it is also important for us to have time for personal prayer and to learn how to be still and silent in God's presence. These times are especially valuable in our world which is all too noisy and busy. Relationships require time together and a visit to God is no exception.

Here at Sacred Hearts, our religious education director, Deborah O'Shaughnessy is teaching our families about how to spend time with God. We held our first Prayers and Pizza evening in February, and our next one will be on Friday, March 22. The evening is simple. We gather to pray before the Blessed Sacrament in the church at 5:30. There is beautiful music, a short reflection, and the blessing and incense that is part of Benediction. The time is quiet, peaceful, and prayerful. Parents and children sit together. Children learn so much from seeing their parents at prayer.

After the time of prayer, we head over to our auditorium to share a simple meal. Yes, that is the pizza part, along with a bit of salad and something to drink. A perfect evening for a Friday in Lent.

I hope all of our parishioners, and especially our young families, will consider taking the time to "make a visit." There is nothing more important than praying together as a way to pass on our faith to our children.

Sincerely yours in Christ,

*Fr. Mike*

# PRAYERS & PIZZA

*Adoration for Children & Families*

Friday, March 22  
from 5:30-6:30pm in the Basilica

*Please join us!*

Sign up at [www.shjmbasilica.org](http://www.shjmbasilica.org)  
*All parents and grandparents welcome!*

Our children live in a busy, hectic world. We are running from school to activity to activity. We invite you to come to Adoration which provides our youth a chance to slow down and quiet themselves before Jesus: a chance to nurture and grow their relationship with our Lord, a chance to deepen their prayer life, a chance to listen to Jesus. Prayers & Pizza is one way for us to give them the opportunity to share this experience with friends and family, and to break bread together during Lent.

**KNIGHTS  
OF COLUMBUS®**

## Knight Light

We were all baptized as children of God. As daughters and sons, we officially became a part of God's family. Today we take our place around His table with all of our baptized brothers and sisters, the living and the saints in Heaven. In a real way, we are in a relationship to all who share in the grace of baptism, past, present and future.

At our baptism, we were united to a whole host of saints in Heaven who have a deep desire to pray for us, care for us and protect us. They are living their identity as brothers and sisters to us, as their hearts are constantly moved with compassion to pray for us in our struggles and come to our aid, interceding for us before the throne of God. We need our brothers and sisters in Heaven to pray for us and remind us of who we are and what we were made for.

The Litany of Saints reminds us that we are not alone. Remember, we are members of the Body of Christ as baptized daughters and sons; yet as human beings, often times a temptation lingers to believe that we are alone and we have to figure it out all by ourselves. However, we do not have to do it by ourselves; we are not alone.....

*(Edited from Born of Fire by Fr. Innocent Montgomery, CFR)*

Pray with the Knights: "O God, our refuge and our strength, look down with favor upon Your people who cry out to You. And through the intercession of the Blessed Mary, Ever Virgin, all the angels and saints, help us to come to know, love and serve Your Son on this earth so we may spend the rest of our lives together with You in heaven."

Men of the parish, we invite you reach out to Brother Knight, Charlie Mottern ([chaliem@optonline.net](mailto:chaliem@optonline.net)) or Brother Knight, Lou Puglisi ([artist489@aol.com](mailto:artist489@aol.com)) to learn more about the Knights of Columbus.

## *Family Project Sunday: Resurrection Gardens*

A resurrection garden is an ideal way to show children the spiritual meaning of Easter. It is a symbol of Jesus rising from his tomb and portrays the scene that Mary Magdalene saw: a tomb with a stone to be rolled away on Easter Sunday.

We created our own using natural organic components like sticks, stones and moss, to make a garden complete with Jesus' tomb. We look forward to celebrating together when we find the tomb is empty! *Want to make one?* Email [dre@shjmbasilica.org](mailto:dre@shjmbasilica.org) for instructions to make a Resurrection Garden at home.

Catholic Schools Week was a whirlwind of activity at the school beginning with Open House and ending with the Parents Cocktail Party and Bucks for Books drawing.

The Senior Oratorical Contest resulted in trophies awarded to outstanding speakers: Mikayla Torres and Gabriella Gonzales, with runners-up Catherine Porter, Colleen Lynch, Ayla Cass and Francesca Tinghino.

The OLH band, (directed by Mr. Zachary Nathaniel), the Hamptones and Hamptonix entertained more than one hundred-thirty grandparents at the annual celebration tea.

Bishop John Barres of the Diocese of Rockville Centre made a special visit to the school and interacted with Prep student representatives, pastors and the principal.

**Reflection On the Gospel  
March 10, 2024**

It is fitting that this Sunday's readings coincide with the return of Daylight Savings Time. With Daylight Savings Time, we experience increased light that extends later in the day. With Sunday's readings, we encounter the light of Christ and we hear Jesus say, "whoever lives the truth comes to the light, so that their works may be clearly seen as done in God." Unfortunately, we don't always live the truth, and we don't always want light to be shone on our works, but these readings assure us that God wants to be able to shine light on us. When that doesn't happen, it is not God's doing, but our rejection of God. As St. Paul notes, God gifts us with salvation. Our task is to accept it and to be light for one another.

### SCRUTINIES

Adults in Catholic churches all over the world are preparing for their baptism at the Easter Vigil. Will any adults in your parish be baptized this year? Part of their preparation will include a scrutiny. The word *scrutiny* means "a close examination." On the Third, Fourth, and Fifth Sundays of Lent these men and women examine their lives very closely. They look for weaknesses, things that keep them from Jesus or times when they are not strong enough to stay away from what they know is wrong. They also think about their strengths, their good actions or times when they have the strength to resist

temptation. As we pray for them while they do this hard work, their scrutinies remind us to examine our own lives, too, so we can renew our baptismal promises and live as better followers of Jesus.
