## Preserving Our Heritage Building Our Future

Dear Parish Family,

Our *In Nomine Domini* renewal is off to a great start this week with almost 25 new pledges received as of mid week. Please remember that the most important thing is for every parishioner and visitor, everyone who loves Sacred Hearts, to be a part of this effort of preserving and enhancing our beautiful church.

Remember that the ideal of stewardship is not equal giving but equal sacrifice. Can you be a Founder at the \$100,000 level? Each donor at this level brings us 10% toward our goal. Can consider participating at the *In Nomine Domini* level? Fifty donors at the \$10,000 level would bring us half way to the goal. Can you support us with a Stewardship pledge of \$5000, \$2500, or \$1000? It is our hope that the majority of our parishioners will pledge at this level. And if you can a Supporter at any level you will help us greatly and I will be grateful for your participation.

Of course the other most important way you can participate is by spreading the word about our projects. There are so many people who love Sacred Hearts and value the presence of our historic church in the community. We serve more than just our parish family; we are an active part of the life of this community. Remember that the building of Sacred Hearts in 1906 was an effort of the entire community. Please help to spread the word and encourage others to support our church.

I also want to thank each of you for your encouragement and many positive comments. In particular I want to thank Kate Duggan, Fred Weinfurt, Jay Diesing, Charlene Kagel, Mike Regan, and Adrienne Gordon for stepping forward to work with me as the steering committee for the *In Nomine Domini* renewal.

This week we have a bit of a fun gift to serve as a reminder of our renewal and a reminder that Sacred Hearts can become a very cool place!

Finally, I would like to invite you to an **information night on Monday, July 21, at 7 PM** in the church. If you would like to know the project plans in detail, or have questions about the work, I would be happy to explain and answer.

Sincerely yours in Christ,

Fr. Mike

## A Note from Religious Education Director Jennifer Ferrantino

Thank you to all those who supported the mission trip to El Salvador! Your support is greatly appreciated! We had a wonderful time sharing the Gospel with the people of El Salvador. Your donations of school supplies and financial support were shared with the poorest of the poor. We were very lucky to literally be the hands and feet sharing the love of Jesus Christ. We gave a lot to the people of El Salvador, however, they filled our hearts to overflowing with love and respect for all of God's people. Thank you for your generous support!

We are busy preparing for the fall please send in registration forms as soon as possible. It is our goal to keep the classes as small as possible to benefit the children. Please remember all families must be registered in the parish to attend our religious education program.

We are looking for volunteers, teachers, Assistants, hall monitors, helpers if you are interested please contact me at 283-0508 or [jferrantino@shjmbasilica.org](mailto:jferrantino@shjmbasilica.org)

### Mission 2014

Dear Parish Family,

For more than 100 years, the parish of the Sacred Hearts has been an important part of the community of Southampton. Since my arrival in 2012, I have felt warmly welcomed and I look forward to many years serving in this community. In my very first summer I asked parishioners to tell me what our goals might be over these next years. One area that was mentioned over and over again was to develop and maintain our beautiful church as a place of welcome.

The challenges of maintaining a historic church are great. It is not easy for any church these days, but for a relatively small congregation the demands of, not only upkeep, but of *preservation and restoration* are enormous. In the 1990s, our parish established a fund to help with these demands. We call it the *In Nomine Domini Fund*, dedicated to the preservation, improvement, and restoration of our church. At the present time, we need to add almost \$1 million to this fund to help us with the needs described in this letter.

This summer I will be reaching out to parishioners and friends to help us with these tasks. We will be much more successful if I have the support of people like yourselves in this effort. I know you are among the most supportive and helpful members of this parish community; hence, I write to you today to ask if you would consider helping us.

If you are able to make a gift to help us with our needs, I would be most grateful. I would also welcome the opportunity to meet you and discuss this in person or by telephone, if you so desire.

Regardless of your response, would you please keep us in your prayers and thoughts and know that you are always welcome here.

Rev. Michael A. Vetrano, Pastor

## Heating and Cooling

When our parish undertook a substantial renovation of our beautiful church almost 25 years ago, a decision was made to forego the upgrade of our heating and cooling system. At the time there was concern that modernization, in particular air conditioning, would sacrifice the beauty of our building. This was certainly the case at the time when the only approach would have necessitated very visible air ducts in the building. But time and technology has changed quite a bit and what was once impossible is within reach.

Between heat and humidity, summer can be a very uncomfortable time at Sacred Hearts. We have kept careful records over the past two years and we know that our attendance drops during the warmest days of summer. We are celebrating very few weddings in the months of July and August when our church should be at its busiest. For those who do brave the warm temperatures the experience on these warm days is of much discomfort and the noise of our fans.

Solution: Present technology would make it possible to replace our radiators with air handler units that would both heat and cool our church. In a sense we would be simply replacing our radiators with these integrated heating / cooling units. The units could be wood finished, similar to the one shown here, and actually look quite a bit better than the radiators! Total cost for heating / cooling / new electrical \$650K

### Facilities:

The comfort of our parishioners and guests is important. Our church had become a destination for people from all across our island and a frequent issue is the lack of rest rooms in our church. We have consulted an architect and it would be easily possible to add rest rooms within the vestibules on the east and west front doors of our church. The expansion needed would be minimal and barely noticeable outside the church. The total anticipated cost would be about 75K.

### Lighting:

Lighting is a major energy cost in our church. We need to upgrade our historic fixtures to use modern energy efficient systems (fluorescent and LED). We also need to examine the safety lighting outside our church. If you have ever come here in the evening or on winter afternoons you have probably noticed that our walkway and door lighting could be improved. Estimated cost: 50K

### Bell Tower:

Our parish is blessed with four cast bells which call us to worship each week. These historic bells have been many years without the refurbishment of their ringing hardware. Originally the bells were actually swung – probably by a system of ropes! At some point electric strikers were installed. This system now needs to be renewed. First of all, the mountings for the bells have been corroded by our salt air and need to be replaced with new stainless hardware. The hardware itself is not expensive but the work of lifting and restoring bells is very specialized. As this work is done it makes sense to update the ringing system which currently is almost impossible to program. Total cost for these improvements: 60K

### Pew Refinishing:

Our pews are truly part of our history at SHJM. They are over 100 years old and have accommodated our parishioners and some celebrities over these years. These days most parishes simply replace pews with new ones as they wear. But here they are part of our history and most parishioners would prefer that they be cleaned and renewed. Our pews were attended to in our last restoration with a process of sanding and applying a new coat of urethane. One can notice many areas where the urethane has worn or become scratched. It would be possible now to do a more comprehensive restoration. This would involve sanding, repairing, strengthening, and applying a furniture grade quality finish. This would make our pews beautiful for another 100 years! Cost: 75K

### Carpeting:

The carpet in our church is almost at the end of its useful life and it will need to be replaced as work is done to our pews and heating / cooling. Cost will be about 45K.

## Life Corner :: SHJM Respect Life Ministry

Did you know... Norma McCorvey, who went by the legal pseudonym Jane Roe, was the plaintiff in the landmark Roe v. Wade Supreme Court decision; she has had two children, and never had an abortion; she was received into the Catholic Church in the 1990's, and works actively as an advocate for ProLife. In 2005, she petitioned the Supreme Court to overturn Roe v. Wade, on the basis that abortion is harmful to women -- the petition was turned down.

## Reflections On the Gospel from Pax Christi July 13, 2014

Can you imagine being so generous or extravagant as to throw coins or dollar bills, tickets to a show, or gift certificates to a restaurant all over the ground without concern for where they will land or who will pick them up? In a sense that is what the sower is doing in today's Gospel. That is what God is doing for us, knowing full well some of us will squander God's gift while others will make the most of it. Do we appreciate such extreme generosity? How do we receive it? And what do we do with it? When seeds take root and grow, they provide for many, and they reproduce for generations to come. We, too, need to recognize God's magnanimity and be sure to use it well and share it with others.

**Reciban la Palabra de Dios** - Las parábolas facilitan la comprensión de hechos de significado profundo. Jesús usó las parábolas para abrirnos los ojos y los oídos, para enseñarnos la Buena Nueva. En el Bautismo, el sacerdote nos abre los oídos para que recibamos la fe, y la boca para que la proclamemos. Así lo hace también el Evangelio de hoy por los Apóstoles y por nosotros. Recibir la semilla de la Palabra de Dios es la mejor manera de dar frutos y alcanzar la riqueza que jamás imaginamos. ¿Eres tú tierra buena para la semilla de Dios? ¡Escucha la Palabra de Dios y medítala! *Texto: Philip J. Sandstrom, STD © 2001, OCP. Derechos reservados.*

**La Palabra de Dios** - Jesús enseñó a la gente con parábolas. Podemos preguntarnos ¿Podría mi vida ser más fértil y fructífera o ser semilla o pan para otros? ¿Dejo que la Palabra de Dios se arraigue en mí y se multiplique, como una semilla que echa raíces profundas? Dejemos que la Palabra de Dios penetre y se afiance sólidamente en nuestras almas, las fertilice y produzca fruto abundante. *By María Dolores Martínez, from Liturgia y Canción 2008 © 2008, OCP.
