Pastor's Letter

Family Mass

August 10, 2014

Dear Parish Family,

It is no secret at all that Southampton is a vacation spot. It is a place where people go to get away from their day to day lives and come to enjoy the natural beauty and change of place and pace that are part of life on the east end. While most people probably do not think of it in these terms, vacation is really a kind of retreat, a naturally spiritual time in which our spirits are refreshed and renewed.

It is a great privilege, and part of our ministry, for our parish to be a part of these spiritual renewals. I am always impressed by how many families attend Mass together on their vacation and how often people tell me after Mass how much they enjoy the spirit of welcome here at Sacred Hearts. Celebrating Mass together can be a special opportunity for families to come closer to God and to one another.

In the gospels, Jesus actively encouraged his disciples to step back and take time away from their ordinary lives to be close to God and one another. Think of how many times we hear Jesus himself going up a mountain to pray or inviting his disciples to come away with him to pray.

For a priest, one of the nicest parts of vacation is getting to go to Mass and to be part of the congregation. It's good to be ministered to and to have the opportunity to attend Mass with my own friends and family. Here at Sacred Hearts it is not uncommon for us to welcome other priests of our diocese among the congregation – even an occasional bishop. I understand how renewing and refreshing that can be. It is all part of the spirit of coming away to pray.

If you are a visitor to our community, I hope you have found this to be a time of renewal. It is a privilege for us to welcome you and share this special church and ministry with you. You help us also to remember how lucky we are to live and work in one of the most beautiful places on Long Island.

Sincerely yours in Christ,

Fr. Mike

Topic: Joy of the Gospel

“The joy of the gospel fills the hearts and lives of all who encounter Jesus”

– Pope Francis

Dear Parish Family,

For more than 100 years, the parish of the Sacred Hearts has been an important part of the community of Southampton. Since my arrival in 2012, I have felt warmly welcomed and I look forward to many years serving in this community. In my very first summer I asked parishioners to tell me what our goals might be over these next years. One area that was mentioned over and over again was to develop and maintain our beautiful church as a place of welcome.

The challenges of maintaining a historic church are great. It is not easy for any church these days, but for a relatively small congregation the demands of, not only upkeep, but of *preservation and restoration* are enormous. In the 1990s, our parish established a fund to help with these demands. We call it the *In Nomine Domini Fund*, dedicated to the preservation, improvement, and restoration of our church. At the present time, we need to add almost \$1 million to this fund to help us with the needs described in this letter.

This summer I will be reaching out to parishioners and friends to help us with these tasks. We will be much more successful if I have the support of people like yourselves in this effort. I know you are among the most supportive and helpful members of this parish community; hence, I write to you today to ask if you would consider helping us.

If you are able to make a gift to help us with our needs, I would be most grateful. I would also welcome the opportunity to meet you and discuss this in person or by telephone, if you so desire.

Regardless of your response, would you please keep us in your prayers and thoughts and know that you are always welcome here.

Rev. Michael A. Vetrano, Pastor

Heating and Cooling

When our parish undertook a substantial renovation of our beautiful church almost 25 years ago, a decision was made to forego the upgrade of our heating and cooling system. At the time there was concern that modernization, in particular air conditioning, would sacrifice the beauty of our building. This was certainly the case at the time when the only approach would have necessitated very visible air ducts in the building. But time and technology has changed quite a bit and what was once impossible is within reach.

Between heat and humidity, summer can be a very uncomfortable time at Sacred Hearts. We have kept careful records over the past two years and we know that our attendance drops during the warmest days of summer. We are celebrating very few weddings in the months of July and August when our church should be at its busiest. For those who do brave the warm temperatures the experience on these warm days is of much discomfort and the noise of our fans.

Solution: Present technology would make it possible to replace our radiators with air handler units that would both heat and cool our church. In a sense we would be simply replacing our radiators with these integrated heating / cooling units. The units could be wood finished, similar to the one shown here, and actually look quite a bit better than the radiators! Total cost for heating / cooling / new electrical \$650K

Facilities:

The comfort of our parishioners and guests is important. Our church had become a destination for people from all across our island and a frequent issue is the lack of rest rooms in our church. We have consulted an architect and it would be easily possible to add rest rooms within the vestibules on the east and west front doors of our church. The expansion needed would be minimal and barely noticeable outside the church. The total anticipated cost would be about 75K.

Lighting:

Lighting is a major energy cost in our church. We need to upgrade our historic fixtures to use modern energy efficient systems (fluorescent and LED). We also need to examine the safety lighting outside our church. If you have ever come here in the evening or on winter afternoons you have probably noticed that our walkway and door lighting could be improved. Estimated cost: 50K

Bell Tower:

Our parish is blessed with four cast bells which call us to worship each week. These historic bells have been many years without the refurbishment of their ringing hardware. Originally the bells were actually swung – probably by a system of ropes! At some point electric strikers were installed. This system now needs to be renewed. First of all, the mountings for the bells have been corroded by our salt air and need to be replaced with new stainless hardware. The hardware itself is not expensive but the work of lifting and restoring bells is very specialized. As this work is done it makes sense to update the ringing system which currently is almost impossible to program. Total cost for these improvements: 60K

Pew Refinishing:

Our pews are truly part of our history at SHJM. They are over 100 years old and have accommodated our parishioners and some celebrities over these years. These days most parishes simply replace pews with new ones as they wear. But here they are part of our history and most parishioners would prefer that they be cleaned and renewed. Our pews were attended to in our last restoration with a process of sanding and applying a new coat of urethane. One can notice many areas where the urethane has worn or become scratched. It would be possible now to do a more comprehensive restoration. This would involve sanding, repairing, strengthening, and applying a furniture grade quality finish. This would make our pews beautiful for another 100 years! Cost: 75K

Carpeting:

The carpet in our church is almost at the end of its useful life and it will need to be replaced as work is done to our pews and heating / cooling. Cost will be about 45K.

Reflections On the Gospel from Pax Christi August 10, 2014

If you read Sunday's Gospel carefully, you'll notice it wasn't the storm that terrified the disciples; it was seeing Jesus walking on the rough sea. I suspect we would be pretty terrified, too, if we saw Jesus, or anyone else we know, walking on water. How many of us would even have the nerve to ask to do the same the way Peter did? Maybe he lost his confidence when he realized what he was doing, but at least he got out of the boat. Are we willing to get out of the boat and step onto the sea when things get rough? Are we willing to walk against the tides of war, hatred, fear, distrust, and vengeance? Do we have enough faith in Jesus not to doubt our ability to do as He does? Let us take courage and stand up to the injustices that create the rough seas of our time and place. Let us help to bring about peace in our stormy world.

Knights of Columbus

The Southampton Council Knight of Columbus will speak at the Masses on August 17, 2014. We would like to bring parishioners up to date on what our Council is doing. Currently we just made a substantial donation to the In Nomine Domini Fund to Preserve Our Basilica. We also support Our Lady of Poland Church and Our Lady of the Hamptons Catholic School.

We offer great insurance programs for families of all ages. We encourage Catholic men to consider becoming a Knight at our Council. I also know there are Knights here from other Councils. We'd welcome you to transfer into Southampton Council #1967. Please stop by and speak to one of the Knights after mass for information about the Knights of Columbus and our endeavors.

Fortalece Nuestra Fe - Encontramos al Señor en los sitios más extraños. Elías pasó la noche escuchando el fuerte viento, sintiendo el terremoto y el fuego, pero el Señor no estaba en la furia de estos elementos, sino en la suave brisa. Nosotros esperamos grandes acontecimientos para encontrar a Dios, pero su obra se puede percibir en nuestro corazón y en nuestra mente. Si escuchamos con atención, encontramos al Señor. Como lo hizo Pedro, nosotros caminamos hacia el Señor, quien nos dice: "Ven". Respondamos: "¡Maranatha! ¡Ven, Señor, y fortalece nuestra fe!".

Tenga Fe, no Temor - Hoy vemos un enorme contraste entre Elías y Pedro, entre la fe y la duda. Elías resistió el viento fuerte, el terremoto y el fuego. Sin temor, escondió su cara en su manto y salió a la entrada de la caverna, escuchando la voz de Dios en un susurro. Pedro, en el barco, se asustó al ver a Jesús que caminaba sobre el agua. Cuando él caminaba sobre el agua hacia Jesús empezó a hundirse. ¿Qué pasó? No era la persona física de Pedro la que vacilaba, sino su fe.
