## Tent Party 2014

August 23/24

Dear Parish Family,

The cover of our parish bulletin this week is a little different than our usual gospel based cover! As summer draws to an end I asked Mickey Paraskevas to draw us an invitation to our annual tent party! Mickey is an illustrator of children's books and a well know local artist, whose pictures of east end life are often on the covers of local magazines and papers. He and his new wife Maria were married here at Sacred Hearts this summer and he welcomed the opportunity to help us out with an image of our special yearly event.

Of course it never occurred to me that I might be in the picture! I console myself with this thought: I made out better than a certain Renaissance cardinal, who Michelangelo painted in hell in his famous Last Judgment scene in the Sistine Chapel. By comparison, my artist painted me in heaven! For that is what Sacred Hearts is to me.

Our bulletin covers are usually scenes from the gospels. In an important way this week's cover continues the tradition. After all, gospel means good news, and there is nothing more important that a church can be than good news to all. A church should a sign of hope and friendship, welcome and holiness, not only for its own members but for all those who come across our path.

What I love about our church is that people come here for so many reasons. We have long time members for whom this is the only spiritual home they have ever known. We have visitors, who look for a community to welcome them and celebrate the Eucharist with them each Sunday. We have people who have heard of our history, our art, and our still new status as Rockville Centre's first Basilica. And others who stumble upon this great church on Hill Street and want to see what is here. All have one thing in common — they are all welcome here and whether for a moment or a lifetime, it belongs to them as a place of peace and worship.

Our tent party is a great symbol of what our church is all about: place where everyone is welcome to come together and to celebrate our community.

I hope you will join us in celebration this year. It's not too late. It is just a week away. So make plans to be in the picture and celebrate the 106th anniversary of this spiritual home.

Sincerely yours in Christ,

*Fr. Mike*

Dear Parish Family,

For more than 100 years, the parish of the Sacred Hearts has been an important part of the community of Southampton. Since my arrival in 2012, I have felt warmly welcomed and I look forward to many years serving in this community. In my very first summer I asked parishioners to tell me what our goals might be over these next years. One area that was mentioned over and over again was to develop and maintain our beautiful church as a place of welcome.

The challenges of maintaining a historic church are great. It is not easy for any church these days, but for a relatively small congregation the demands of, not only upkeep, but of *preservation and restoration* are enormous. In the 1990s, our parish established a fund to help with these demands. We call it the *In Nomine Domini Fund*, dedicated to the preservation, improvement, and restoration of our church. At the present time, we need to add almost \$1 million to this fund to help us with the needs described in this letter.

This summer I will be reaching out to parishioners and friends to help us with these tasks. We will be much more successful if I have the support of people like yourselves in this effort. I know you are among the most supportive and helpful members of this parish community; hence, I write to you today to ask if you would consider helping us.

If you are able to make a gift to help us with our needs, I would be most grateful. I would also welcome the opportunity to meet you and discuss this in person or by telephone, if you so desire.

Regardless of your response, would you please keep us in your prayers and thoughts and know that you are always welcome here.

Rev. Michael A. Vetrano, Pastor

## Heating and Cooling

When our parish undertook a substantial renovation of our beautiful church almost 25 years ago, a decision was made to forego the upgrade of our heating and cooling system. At the time there was concern that modernization, in particular air conditioning, would sacrifice the beauty of our building. This was certainly the case at the time when the only approach would have necessitated very visible air ducts in the building. But time and technology has changed quite a bit and what was once impossible is within reach.

Between heat and humidity, summer can be a very uncomfortable time at Sacred Hearts. We have kept careful records over the past two years and we know that our attendance drops during the warmest days of summer. We are celebrating very few weddings in the months of July and August when our church should be at its busiest. For those who do brave the warm temperatures the experience on these warm days is of much discomfort and the noise of our fans.

Solution: Present technology would make it possible to replace our radiators with air handler units that would both heat and cool our church. In a sense we would be simply replacing our radiators with these integrated heating / cooling units. The units could be wood finished, similar to the one shown here, and actually look quite a bit better than the radiators! Total cost for heating / cooling / new electrical \$650K

### Facilities:

The comfort of our parishioners and guests is important. Our church had become a destination for people from all across our island and a frequent issue is the lack of rest rooms in our church. We have consulted an architect and it would be easily possible to add rest rooms within the vestibules on the east and west front doors of our church. The expansion needed would be minimal and barely noticeable outside the church. The total anticipated cost would be about 75K.

### Lighting:

Lighting is a major energy cost in our church. We need to upgrade our historic fixtures to use modern energy efficient systems (fluorescent and LED). We also need to examine the safety lighting outside our church. If you have ever come here in the evening or on winter afternoons you have probably noticed that our walkway and door lighting could be improved. Estimated cost: 50K

### Bell Tower:

Our parish is blessed with four cast bells which call us to worship each week. These historic bells have been many years without the refurbishment of their ringing hardware. Originally the bells were actually swung – probably by a system of ropes! At some point electric strikers were installed. This system now needs to be renewed. First of all, the mountings for the bells have been corroded by our salt air and need to be replaced with new stainless hardware. The hardware itself is not expensive but the work of lifting and restoring bells is very specialized. As this work is done it makes sense to update the ringing system which currently is almost impossible to program. Total cost for these improvements: 60K

### Pew Refinishing:

Our pews are truly part of our history at SHJM. They are over 100 years old and have accommodated our parishioners and some celebrities over these years. These days most parishes simply replace pews with new ones as they wear. But here they are part of our history and most parishioners would prefer that they be cleaned and renewed. Our pews were attended to in our last restoration with a process of sanding and applying a new coat of urethane. One can notice many areas where the urethane has worn or become scratched. It would be possible now to do a more comprehensive restoration. This would involve sanding, repairing, strengthening, and applying a furniture grade quality finish. This would make our pews beautiful for another 100 years! Cost: 75K

### Carpeting:

The carpet in our church is almost at the end of its useful life and it will need to be replaced as work is done to our pews and heating / cooling. Cost will be about 45K.

## SHJM Welcomes Mary Black Friday :: November 7th

For the last quarter-century, singer Mary Black has been a dominant presence in Irish music, both at home and abroad. She has shared stages, T.V. shows and recording studios with some of the most revered performers of her time. She has also played a frontline role in bringing Irish music, past and present, to an increasingly appreciative and ever-growing global audience.

What a fine singer Ireland's Mary Black is. Unfussy, gimmick-free and capable of switching from confessional intimacy to assured declaration in the space of a phrase, she always puts the song's story first. The effect can be breathtaking, catching out the listener with a vocal catch or a sung-through line that will break your heart or make you laugh out loud, depending on the lyric. - *The Art of the Torch Singer*

The San Francisco Chronicle has described her as "One of the best interpretative singers around".

On Friday, November 7, The Basilica of Sacred Hearts will welcome Mary for a memorable evening of music as she begins her Last Call Tour of the USA. Don't miss the opportunity.

Check out Mary on her website: [www.mary-black.net](http://www.mary-black.net)

## Reflections On the Gospel from Pax Christi August 24, 2014

A couple of weeks ago, we read in the Gospel about Peter stepping into rough seas to walk with Jesus on the water. On one hand he had the courage to try and on the other he doubted and started to sink. In this Sunday's Gospel Peter is again center stage. This time he proclaims Jesus the Christ, the Son of the living God for which Peter is named Rock. But moments later we know Jesus is calling Peter Satan for objecting to Jesus' prediction of His impending suffering. We might think Peter a rather unstable Rock, but thank God for that. What Peter is is a very real human being, sometimes brave and sometimes scared, sometimes wise and sometimes a bit foolish, sometimes a sinner, but ultimately a saint. Peter is much like all of us and, because of that, he is a great model for us. Even if a bit unstable, let's be rocks on which Jesus can build His Church of love, mercy, peace, and justice for everyone and all times.

### Golden Wedding Jubilee

**El Reino de Dios** - ¿Quién es el Hijo de Dios? "Unos dicen que eres Juan el Bautista; otros, que Elías; otros, que Jeremías o alguno de los profetas". Pedro reconoció a Jesús como "el Mesías, el Hijo de Dios vivo". El Reino de Dios es un gran acontecimiento. Dios hace valer su poder salvífico sobre la humanidad de un modo nuevo. Cuando la presencia y obra de Dios se hacen visibles como amor incondicional y compasión por los demás, podemos decir que el Reino de Dios está aquí. ¿Estás haciendo la labor que te corresponde para construir la Iglesia fundada en la piedra de Pedro? *Texto: Philip J. Sandstrom, STD © 2001, OCP. Derechos reservados.*

**Ser Testigos** - La liturgia de hoy nos revela la sabiduría y la generosidad de Dios, creador y origen de toda vida, y nos desafía, por lo tanto, a profesar nuestra fe como lo hiciera Simón Pedro en el evangelio, cuando reconoció a Jesús como Mesías. Decididamente, los demás pueden llegar a conocer a Jesús si lo ven en nosotros y en nuestras acciones. El verano está concluyendo; nosotros hemos de evaluar nuestra participación como testigos de Jesucristo en la sociedad. Entre otras, esta pregunta es evidente: ¿cómo ponemos en evidencia el hecho de que conocemos y sentimos a Jesús no sólo en nuestra mente sino también en nuestro corazón? *By Juan J.
