## Summer Gratitude

Dear Parish Family,

Just last weekend I happened to catch the eye of one of our altar servers during the Prayer of the Faithful. The prayer asked God for a good end of summer and a good beginning to the school year. The server looked cut to the heart. I remembered my own summer vacations. Each June brought a summer that seemed timeless, but every year, September arrived much too soon. It is hard to believe that Labor Day weekend has arrived and those summer days are officially behind us.

Of course I have learned some things. One is that here on the east end, the most beautiful days are just beginning. September, October, and November are perfect, and though the days are a bit shorter, the crisp air and wonderful fall light are just the best. From a spiritual perspective, I have learned not to lament the passing of days but to think of them with gratitude.

This has been a wonderful summer. Our In Nomine Domini renewal has been a wonderful success. The great love of people for our church and the spirit of sacrifice embraced by so many to keep this spiritual place warm and beautiful has been evident throughout this fundraising event. I have had so many wonderful conversations with people about their faith and love for our church and community. For me, it more than makes up for the difficulties of asking for help and generosity. It has been a cool summer — which may not be the best for making a case for new heating and air conditioning. But on the other hand, more people than ever attended our church this summer and that helped to spread the word.

I am so grateful to see our tent party in its second year of renewal. It is just a few days to the event as I write this and it is almost a sell out! It is wonderful to see an event so supported, especially when its main purpose is nothing more complicated than bringing people together and celebrating both parish and community. I am so thankful to the team that worked so hard to make this event a reality.

It has been a wonderful summer of music. We were able to welcome the Southampton Arts Festival again and also enjoy a beautiful evening with our own Ashley Bell and Ciao Liao in concert. Our own music ministry here is growing by leaps and bounds and everyone seems to be enjoying the spirit of singing together at Mass.

And of course what is summer if not a time to be together with family and friends and to allow these connections to renew us. I hope as September draws near that you are filled with gratitude for the special days God has given us.

Sincerely yours in Christ,

*Fr. Mike*

Pope Francis

**Where:** Molly Malone’s – 124 Maple Avenue, Bay Shore NY

Dear Parish Family,

For more than 100 years, the parish of the Sacred Hearts has been an important part of the community of Southampton. Since my arrival in 2012, I have felt warmly welcomed and I look forward to many years serving in this community. In my very first summer I asked parishioners to tell me what our goals might be over these next years. One area that was mentioned over and over again was to develop and maintain our beautiful church as a place of welcome.

The challenges of maintaining a historic church are great. It is not easy for any church these days, but for a relatively small congregation the demands of, not only upkeep, but of *preservation and restoration* are enormous. In the 1990s, our parish established a fund to help with these demands. We call it the *In Nomine Domini Fund*, dedicated to the preservation, improvement, and restoration of our church. At the present time, we need to add almost \$1 million to this fund to help us with the needs described in this letter.

This summer I will be reaching out to parishioners and friends to help us with these tasks. We will be much more successful if I have the support of people like yourselves in this effort. I know you are among the most supportive and helpful members of this parish community; hence, I write to you today to ask if you would consider helping us.

If you are able to make a gift to help us with our needs, I would be most grateful. I would also welcome the opportunity to meet you and discuss this in person or by telephone, if you so desire.

Regardless of your response, would you please keep us in your prayers and thoughts and know that you are always welcome here.

Rev. Michael A. Vetrano, Pastor

## Heating and Cooling

When our parish undertook a substantial renovation of our beautiful church almost 25 years ago, a decision was made to forego the upgrade of our heating and cooling system. At the time there was concern that modernization, in particular air conditioning, would sacrifice the beauty of our building. This was certainly the case at the time when the only approach would have necessitated very visible air ducts in the building. But time and technology has changed quite a bit and what was once impossible is within reach.

Between heat and humidity, summer can be a very uncomfortable time at Sacred Hearts. We have kept careful records over the past two years and we know that our attendance drops during the warmest days of summer. We are celebrating very few weddings in the months of July and August when our church should be at its busiest. For those who do brave the warm temperatures the experience on these warm days is of much discomfort and the noise of our fans.

**Solution:** Present technology would make it possible to replace our radiators with air handler units that would both heat and cool our church. In a sense we would be simply replacing our radiators with these integrated heating / cooling units. The units could be wood finished, similar to the one shown here, and actually look quite a bit better than the radiators! Total cost for heating / cooling / new electrical \$650K

### Facilities:

The comfort of our parishioners and guests is important. Our church had become a destination for people from all across our island and a frequent issue is the lack of rest rooms in our church. We have consulted an architect and it would be easily possible to add rest rooms within the vestibules on the east and west front doors of our church. The expansion needed would be minimal and barely noticeable outside the church. The total anticipated cost would be about 75K.

### Lighting:

Lighting is a major energy cost in our church. We need to upgrade our historic fixtures to use modern energy efficient systems (fluorescent and LED). We also need to examine the safety lighting outside our church. If you have ever come here in the evening or on winter afternoons you have probably noticed that our walkway and door lighting could be improved. Estimated cost: 50K

### Bell Tower:

Our parish is blessed with four cast bells which call us to worship each week. These historic bells have been many years without the refurbishment of their ringing hardware. Originally the bells were actually swung – probably by a system of ropes! At some point electric strikers were installed. This system now needs to be renewed. First of all, the mountings for the bells have been corroded by our salt air and need to be replaced with new stainless hardware. The hardware itself is not expensive but the work of lifting and restoring bells is very specialized. As this work is done it makes sense to update the ringing system which currently is almost impossible to program. Total cost for these improvements: 60K

### Pew Refinishing:

Our pews are truly part of our history at SHJM. They are over 100 years old and have accommodated our parishioners and some celebrities over these years. These days most parishes simply replace pews with new ones as they wear. But here they are part of our history and most parishioners would prefer that they be cleaned and renewed. Our pews were attended to in our last restoration with a process of sanding and applying a new coat of urethane. One can notice many areas where the urethane has worn or become scratched. It would be possible now to do a more comprehensive restoration. This would involve sanding, repairing, strengthening, and applying a furniture grade quality finish. This would make our pews beautiful for another 100 years! Cost: 75K

### Carpeting:

The carpet in our church is almost at the end of its useful life and it will need to be replaced as work is done to our pews and heating / cooling. Cost will be about 45K.

## SHJM Welcomes Mary Black Friday :: November 7th

For the last quarter-century, singer Mary Black has been a dominant presence in Irish music, both at home and abroad. She has shared stages, T.V. shows and recording studios with some of the most revered performers of her time. She has also played a frontline role in bringing Irish music, past and present, to an increasingly appreciative and ever-growing global audience.

What a fine singer Ireland's Mary Black is. Unfussy, gimmick-free and capable of switching from confessional intimacy to assured declaration in the space of a phrase, she always puts the song's story first. The effect can be breathtaking, catching out the listener with a vocal catch or a sung-through line that will break your heart or make you laugh out loud, depending on the lyric. - *The Art of the Torch Singer*

The San Francisco Chronicle has described her as "One of the best interpretative singers around".

On Friday, November 7, The Basilica of Sacred Hearts will welcome Mary for a memorable evening of music as she begins her Last Call Tour of the USA. Don't miss the opportunity.

Check out Mary on her website: [www.mary-black.net](http://www.mary-black.net)

## Reflections On the Gospel from Pax Christi August 31, 2014

How often have you felt like Jeremiah in Sunday's first reading? God duped you. The word of God has brought you derision. You do not want to mention God, but God overpowers you. Perhaps you haven't felt like Jeremiah. Then the question might be, "Why not?" Jesus tells us in the Gospel that those who wish to follow him must lose their lives. St. Paul writes to the Romans—and us—that we should not conform ourselves to this age, but discern what is the will of God. Once again we are confronted with the fact that this is not an easy faith. Where there is hatred we are called to love. Where there is injustice, we are called to be just. Where there is violence, we are called to be peace-makers. It may not be comfortable. We may resist like Jeremiah, but let's pray that we can lose ourselves to God's power and be true followers of our self-sacrificing Savior.

Space is still available in the pre-school program for three and four year old students at the St Rosalie's campus location in Hampton Bays. Cal 283-9140 for details.

There are opportunities for memorials within the new facility. Memorial bricks for the special patio and walkway to the new Wellness Center are available for dedication. A donation of \$75 secures a brick. Please call the school for details.

**La Salvación** - Dios hace mucho por nosotros, y Él espera que nosotros hagamos lo mismo por Él. Con suavidad, el Señor nos anima a tomar la cruz de nuestra iniciación bautismal y nos señala el camino para seguir a Jesús. Lo hace de muchas maneras, tomando en cuenta nuestras debilidades y puntos fuertes. Él nos impulsa, anima y ayuda a encontrar el camino hacia la salvación, nuestra meta. Jesús nos busca, nos encuentra y hala de nosotros para que vengamos a Él. ¡Estén tranquilos y sientan el tirón!

It is sometimes difficult to follow directions when you are not sure of the outcome. Try the following directions.

1. Get a piece of lined notebook paper and a pencil.
2. Turn the paper horizontally, so the lines are going up & down instead of the normal way. The red line should be at the top of the page as you look at the paper.
3. Start at the 1st blue line and count over 6 lines from the left. Draw a backward capital L from the red line down 2 inches.
4. Go back to the top of the backward L and count over 2 lines. Draw another capital L, but this time going the right way.
5. Go to the top of the L you just drew and count over 9 lines. Make another capital L, also going the correct way.
6. From the bottom right most point of that L, draw a line back up to the top line where you started the other L's.
7. Make a 5, as large as the L's you have been making, after the last shape that you have just made.
8. Now make another 5 in the space between the L and the U shape.
9. Now make the first correct capital L into an E by drawing 2 straight lines going to the right.
10. Can you read your word?

Jesus said a disciple should "take up his cross and follow me" (Matthew 16:24).

Jer 20:7-9 Ps 63:2-6, 8-9  
Rom 12:1-2 Mt 16:21-27

Look at this tricky picture from all angles and count the number of crosses. Write that number in the heart.

Directions: Try to get around the obstacles to safety.

*God has a plan for us and we must not be distracted by what we want to happen in our lives.*

Directions: Write about a time when you prayed for assistance from God.
