Pastor's Letter

An Astronaut and the Vine and Branches

Dear Parish Family,

The gospel this week recounts these words of Jesus: "I am the vine and you are the branches." It is a matter of history that these were the first words of scripture ever read on the moon. In 1969, almost 46 years ago, astronaut Buzz Aldrin had considered for weeks how he might mark that special moment of moon landing. It seemed to him that the moon landing must be more than about computers and rockets, orbital mechanics and ingenuity. This human achievement was part of a greater mystery. And so, to the moon he brought a host, a chalice, and a small vial of wine. In a quiet moment while awaiting his turn to step onto the moon, he celebrated a moment of thanksgiving. Aldrin wrote:

In a little while after our scheduled meal period, Neil would give the signal to step down the ladder onto the powdery surface of the moon. Now was the moment for communion. So I un-stowed the communion elements in their flight packets. I put them and the scripture reading on the little table in front of the abort guidance system computer. Then I called back to Houston.

"Houston, this is Eagle. This is the LM Pilot speaking. I would, like to request a few moments of silence. I would like to invite each person listening in, wherever and whomever he may be, to contemplate for a moment the events of the past few hours and to give thanks in his own individual way."

In the radio blackout I opened the little plastic packages which contained bread and wine. I poured the wine into the chalice our church had given me. In the one-sixth gravity of the moon the wine curled slowly and gracefully up the side of the cup. It was interesting to think that the very first liquid ever poured on the moon, and the first food eaten there, were communion elements.

Buzz Aldrin then prayed these words from a handwritten card.

*"I am the vine, you are
the branches. Whoever remains
in me, and I in him,
will bear much fruit;
for you can do nothing
without me."*

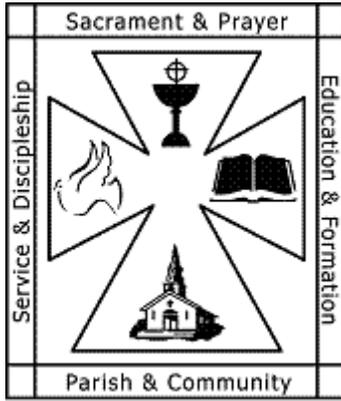

On this day we, like this great explorer, are grateful for our life in Christ.

Sincerely yours in Christ,

Fr. Mike

Did you know ... for every one child adoption in America, there are approximately thirty (30) couples waiting to adopt. Although exact estimates are difficult to determine, there are probably over one million couples waiting to adopt in the USA.

The ratio of **abortions-to-adoptions** is about **12-to-1**.

There are many sources providing adoption services; for more information visit www.heartbeatinternational.org, or almost any pro-life website.

Reflections On the Gospel from Pax Christi

May 3, 2015

Let's imagine that someone who was known as a member of ISIS and a killer of Christians appeared at your parish claiming to have been called by God as a disciple of Jesus. How would you feel? Now let's imagine being a disciple in Sunday's first reading when Paul arrived at their door. Is it any wonder the disciples were afraid and in disbelief? But we know now that it was true. Paul had been chosen and indeed became one of the strongest followers of Christ and leaders of the people. God never ceases to surprise. Can we trust enough to believe in the transformation of enemies into allies? Are we willing to risk (something like an agreement with Iran or the opening of relations with Cuba) for the sake of peace? What is scripture telling us?

Ashley Bell to sing at Bay Street Theatre in Sag Harbor

Parish member, soprano Ashley Bell, will be performing at Bay Street Theatre on Saturday, May 9th at 8:00 pm, the first time they have presented opera.

The production will be a reduced version of Verdi's most famous opera, La Traviata, highlighting the important musical pieces and linking everything with a narrative. It is about an hour and a half and consists of three singers, a narrator, piano & strings. The tragic love story is based on Alexandre Dumas' La Dame Aux Camélias.

Our Lady of the Hamptons

The parish and local community is invited to a special concert, “**A Grand Night for Singing**” at OLH on Tuesday evening, May 12th at seven o’clock in the evening. The event will be a gift to the audience from the eighteen member Hamptonix, the boys; show chorus, and the thirty-eight young ladies of the Hamptones. The program will feature liturgical, show and popular music.

A fully licensed program for three- and four-year olds in preparation for elementary school is available with extended hours. Call 283-9140 to arrange tours and interviews. Space is limited.

Another week of Progress

This has been another great week of progress in our In Nomine Domini projects. Now that the crawl space has been cleaned and certified we are able to begin work on our bell tower. The first step is to complete the electrical wiring for the new controllers and strikers. Originally our bells were rung by swinging them with ropes that extended to the base of the bell tower. Ringing the bells on any occasion required a team of strong volunteers to set the bells in motion.

The first electric system actually worked by pulling on the ropes. Later, a more modern system replaced the ropes with electrically operated hammers called “strikers.” The strikers work well but do not produce the same sound as a swinging bell because the bell movement could create a rising and falling tone. Our new system can emulate this sound which will make the bells sound as they did in 1907! In addition to ringing our bronze bells our new system will have a carillon which are electronically synthesized bells that work with our own to produce the kind of sound only possible with a dozen or more bells. This effect, called change ringing, will be an especially beautiful conclusion to our weddings. I hope our neighbors like church bells!

The bell tower renovation was supported by the Dreams-R-Us foundation who provided a grant for the carillon and Nick Feldman of Eldor electric who donated the electrical wiring. There is an excellent chance that the tower will be ringing again for our June brides!

Thanks to all who have so generously supported our In Nomine Domini renewal. If you want to help us preserve our heritage and build our future please consider a gift to the in Nomine Domini Fund. It is never too late!

V Domingo de Pascua, Año B. Ilustración © 1999 S. Erspamer. Printed from **Vid y Sarmiento** - Comprende uno la comparación de Cristo: Yo soy la cepa, Yo soy como el tronquito que está en la tierra sacando el jugo, la vid; las ramitas son ustedes y si permanecen unidos a esta cepa, comenzarán a producir los grandes racimos. Y mi Padre es el agricultor, Él cortará esos racimos para que echen más, para que produzcan más. Permaneced unidos conmigo; si no permanecéis unidos conmigo, moriréis. "Sin Mí nada podéis hacer".

No se trata del hacer natural, hay muchos pecadores que están haciendo mucho. Todos los trabajos de la tierra se pueden hacer sin vivir en gracia de Dios; y hasta puede darse el caso que un profesional, un artista, un artesano sea buen profesional, buen artista y no se preocupa de vivir en gracia de Dios; pero todo lo que está produciendo es como una cepa arrancada, no circula por allí la vida de la vid; no está unido a Cristo y puede producir muchos frutos en la tierra, grandes organizaciones, pero no produce para la vida eterna. Cuando Cristo dice: "Sin Mí nada podéis hacer" se está refiriendo a ese quehacer que permanece para la vida eterna. Tomado de la Homilía de Mons. Oscar Romero, 13 de mayo de 1979
