Pastor's Letter

August 1/2

Dear Parish Family

Last week I began to tell you about First Fruits, a program of automated giving and how it will become an option for Sacred Hearts parishioners this fall. There are many practical benefits to automated giving. It helps your church receive support even if you are away for a week. It levels the ups and downs of parish income and enables us to plan and better support our programs. It is simpler and more secure than writing checks or remembering envelopes each week. But there is also a spiritual benefit to this new way of giving. It can help make our faith and our church a priority!

You might be a little surprised to hear words like faith, spirituality, and automated giving all in the same sentence. We call our new program First Fruits because in the bible, a great sign of gratitude is the willingness to give to God the first fruits of our labor. If you are reading this bulletin, I am sure that your faith and the ministries of your church are one of the important things in your life.

I know, too, that there are many important things in life that need your support. Your family, the education and care for your children, food and healthcare are just a few of your responsibilities. Stewardship toward your church never means neglecting these things! But stewardship does mean including your spiritual commitments among the important things in your life. It is not easy to keep priorities. Life can be hectic, stressful, and demanding. It is easy for generosity to your parish to be left to chance.

There was a survey recently which found that many Catholics make their decision about what to give to their church at the last moment when the collection is about to be taken. In our own parish we know that planned giving is effective because over 80% of our collection each week is provided by envelope users and those who contribute by check. I know that many others make significant contributions but the benefits of planned giving are undeniable.

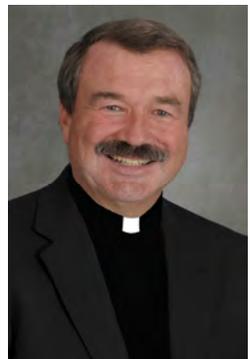

So let's take another look on the thinking behind automated giving. Think about how many important things in life depend on automation. Social security benefits and most people's salary are paid by direct deposit. Mortgages, loans, school tuitions, are more and more often transferred electronically. These things are important, too important to leave to chance. Jesus often praised wise stewards for using the things of the world to benefit the things that belong to God. Planned giving, automated giving, can help us make our faith and our religious commitment a priority.

I am planning to become a First Fruits participant myself. Our parish and the ministries of our church are very important to me. I want this to be shown not only in my work but also in my own generosity. I hope that you will find this new program helpful to you.

Sincerely yours in Christ,

Fr. Mike

Planning for Our Future—Are you interested?

This fall our diocese, in conjunction with St. John's University, will be offering a series of meetings for East End parishes to help us plan for the future. The information to be discussed includes changes in demographics, economics, and patterns of church attendance, generosity, and activity. I think this is an excellent opportunity. The sessions are offered through our diocesan planning office and will be free to the parish and participants. For us to take part we would need to have at least 8 people willing to participate. Dates and times for the meetings are not set yet.

If you would like to be part of this please send an email about your interest to Fr. Mike:
pastor@shjmbasilica.org

Please respond by August 16.

Summer Appeal—Thank you for your generosity!

Our summer appeal is an important source of support for our community, especially through the long winter months. **I am happy to report that as of July 26th our appeal has reached almost \$40,000.00** This is one of the most generous summer appeals ever. With many new events planned for Sacred Hearts I am so grateful for all those who took part. It is not too late to make a summer appeal donation. Envelopes are in the back of our church or donations can be sent to the rectory.

Stewardship Happenings and Needs

One of the great ways that people support our parish is by donating skilled work. Just this past week **J Andreassi and Tony Tuscano** arranged to **reset and point the front steps of our church**. Many of you noticed that a couple of steps had become loose. Their team did the work. **Nick Feldmann of Eldor and Bob Sullivan of Sullivan Electric** have done a super job of installing new lighting, running cables, and fixing some electrical problems. Earlier this month **Ed Corrigan** helped us with some landscaping needs around our rectory. Thanks to all! These are just a few of the practical needs of our church provided by local families and businesses.

Here are some things we need now:

Concrete Work: There is a badly damaged apron in front of the rectory garage (12” x 50”). It needs to be removed, regraded, and new concrete poured. If you are able to help us with this project please contact Fr. Mike at the rectory.

“Youth Ministry changed my life. I would not be the same person without Youth Ministry; it molded me. I tell everyone the way to be the best you can be is to give yourself fully to your Faith and soak up everything you can from your Parish Youth Ministry experience,” shared Joseph .

More than 6,000 young people participate in Youth Ministry Programs in our Diocese.

The Catholic Ministries Appeal is also important for so many other ministries and programs that help our children grow in our faith, including religious education programs for more than 100,000 of our young people in public schools as well as Campus and young adult ministry programs.

Your support helps to inspire our young people to live and love their faith.

Please know that I thank you most sincerely for your consideration of this special request to make a gift to the 2015 Catholic Ministries Appeal. **Please know that no gift is too small** and every gift makes a difference in the lives of our young people.

Did you know... there are tens of thousands of women who have expressed their solidarity with Pro-Life thought, and with the teachings of the Catholic Church in regard to these issues --

"War destroys. And we must cry out for peace. Peace sometimes gives the idea of stillness, but it is never stillness. It is always an active peace. I think that everyone must be committed in the matter of peace, to do everything that they can, what I can do from here. Peace is the language we must speak."

El Papa Francisco Habla con los Jóvenes - Jesús... nos muestra un camino que es vida. Él es la gran prueba de esto. Es su manera de vivir la vida, la amistad, la relación con su Padre. Y es a lo que nos invita. A sentirnos hijos. Hijos amados. Él no te vende humo. Porque sabe que la felicidad, la verdadera, la que deja lleno el corazón, no está en las «pilchas» que llevamos, en los zapatos que nos ponemos, en la etiqueta de determinada marca. Él sabe que la felicidad, la verdadera, la que deja lleno el corazón, no está en las “pilchas” que llevamos, en los zapatos que nos ponemos, en la etiqueta de determinada marca. Él sabe que la felicidad verdadera, está en ser sensibles, en aprender a llorar con los que lloran, en estar cerca de los que están tristes, en poner el hombro, dar un abrazo. Quien no sabe llorar, no sabe reír y por lo tanto, no sabe vivir. Jesús sabe que en este mundo de tanta competencia, envidia y tanta agresividad, la verdadera felicidad pasa por aprender a ser pacientes, a respetar a los demás, a no condenar ni juzgar a nadie. El que se enoja, pierde, dice el refrán. No le des el corazón a la rabia, al rencor. Felices los que tienen misericordia. Felices los que saben ponerse en el lugar del otro, en los que tienen la capacidad de abrazar, de perdonar. *Costanera de Asunción, Paraguay, 12-julio-2015.*

GOD'S WORD FOR CHILDREN!

18th Sunday in Ordinary Time

Jesus Said to his disciples, "I am the bread of life; whoever comes to me will never hunger, and whoever believes in me will never thirst."

Ex 16:2-4, 12-15 Ps 78: 3-4, 23-24, 25, 54 Eph 4:17, 20-24 Jn 6:24-35

Eighteenth Sunday in Ordinary Time

God provided for the Hebrew people when they were traveling in the desert.

God sent food from heaven!

Count the flakes of bread that are falling. Then color the umbrella that has that number.

Jesus said that those who come to him would never hunger or thirst.

To find what this means, write the words that are written backwards correctly.
