A Papal Visit to Our Families

September 12/13

Dear Parish Family,

I don't usually take part in lotteries, but this week I put in my bid to see Pope Francis at St. Patrick's Cathedral. Demand for tickets is high and the availability of tickets is turning out to be a great mystery of faith. We priests, deacons, lay and religious people alike can only put in our bid and hope to be one of the chosen.

My desire to go to St. Patrick's is somewhat of a surprise, even to me! I am usually the kind who is happy with the reliably better view one can get on TV, avoiding travel and crowds and security procedures. But there is something special about Francis, and I suppose like so many others I would like to be in his presence. He has not only challenged his church to mercy, but has been a leader in making our Catholic community known for its compassion.

One of the things I most hope for in Francis' visit has to do with his focus on the family. After all, the pivotal moment in this visit is the World Meeting of Families Congress in Philadelphia. As a priest, I have learned that family life can be wonderful, the place where faith and holiness begin. Family life can also be for many a great challenge to faith. So many people suffer because of brokenness in our families. There are families that are divided by divorce, families struggling economically, families separated by immigration laws, and families separated by hurt. If some of the best things in our world begin in families, so do some of the most difficult ones. The challenge for Francis and for all of us is to be both idealistic and realistic, to be hopeful and healing. One of my saddest experiences as a priest is encountering those who feel that their lives and experience somehow does not measure up. They wonder if their experience of family means that they cannot be part of this family we call the church.

So I am hopeful that Francis will bring to us what seems to be the great gift of his papacy: the gift of kindness and mercy. I hope he will have a wonderful message for our government and our families, for the United Nations and the people of New York. And, of course, that he will in some good way touch each of us. So whether you win a coveted seat at Madison Square Garden or watch from your own home, I encourage you this week to be present to this visit. Listen to the words our Holy Father speaks to us. Don't just listen to the summaries and discussion in the news and the interpretations of others; listen to his words for yourself.

Let us welcome Pope Francis to our nation and to our city, but most of all into our homes and hearts.

Sincerely yours in Christ,

Fr. Mike

Our Lady of the Hamptons

The new school year began on September 8 at Our Lady of the Hamptons. OLH, the East End's premier Catholic school, chartered by the State of New York, accredited by the Middle States Association of Colleges and Schools is also the recipient of a Blue Ribbon for Excellence from the U.S. Department of Education. OLH serves parishes and communities extending from Quogue to Montauk.

The all-new revitalized Pre-school program at OLH is an important step in the over-all education of young children. Registration for the September 2015 year at the classes at St. Rosalie's Parish Center in Hampton Bays is now open for the three year old program. A fully licensed program for three and four year olds in preparation for elementary school is available with flexible, extended hours. Call 283-9140 to arrange tours and interviews. Space is limited.

Information packets and registration materials are available at the school now for the few seats available in grades one and two. There is limited space available in the Prep program (grades six through eight).

We invite parishioners and friends to learn more about Our Lady of the Hamptons by visiting the website www.olh.org. Tours can be arranged for consideration for later enrollment by calling 283-9140.

First Fruits a new way to support your parish community

Beginning this September, Sacred Hearts parishioners can participate in a program of automated giving. The main benefit of automated giving is that it enables our parish to better support our ministries with a more consistent parish offertory. When you enroll in First Fruits, Sacred Hearts will receive your weekly or monthly offertory gift regardless of the weather and even if you are away from the community for business or pleasure. In other words it makes the support of your parish an equal priority to all those things in our lives which receive our attention and support.

Frequently Asked Questions

How does this automated giving program, called First Fruits, help the parish?

First Fruits helps Sacred Hearts by allowing us to better forecast our income and, we hope, by leveling out large swings in income between the summer and winter months. This will strengthen our ability to develop ministry programs with the assurance that we will have the revenue to meet expenses on a year-round basis. Currently the church collects roughly half of its income in just four out of the twelve months of the year. *First Fruits* is being implemented to smooth out the uncertainty that is caused by this unbalanced fluctuation.

If my family signs up for First Fruits, what will we place in the collection basket on Sunday?

Our weekly envelopes will now include a box to be checked to notify us that you and your family are *First Fruits* donors. We ask that you simply continue to use your envelopes and rather than putting in a donation, you simply just check the box that says, "I/we contribute through *First Fruits*."

Would I be able to make Holy Day and special gift offerings with First Fruits?

Yes. There will be an option to specify Holy Day and special gift offerings when you register. These offerings as well your regular weekly contributions can be changed at any time by emailing parishoffice@shjmbasilica.org or by simply calling the parish office.

What are the privacy safeguards that exist with this program?

The *First Fruits* program is simply an exchange of funds between your bank and the parish. Only our business office will have access to your enrollment form. Your personal information is completely confidential. In other words, automated giving is even more secure than a paper check.

Will I be mailed a statement that details how much I have given in the fiscal year for my year-end tax reporting?

Yes. You will be mailed a statement that will clearly show weekly and Holy Day or special gift offerings contributions.

How do I sign up and can I change the amount at any time?

A registration form will be distributed later this month so that you can sign up. If you wish to change your weekly gift, you will simply email or call the parish office to notify us of the change. Our telephone number is 1-631-283-0097 and email address is parishoffice@shjmbasilica.org.

What happens if I want to cancel automated donations, change my donation, or suspend donations for a time?

All you need to do is contact our parish office. As long as we receive your request 2 business days before the next scheduled transfer we can make the adjustment.

Be one of the first 50 families to sign up and receive an invitation to a special thank you event!

firstFruits is a new and more convenient way for parishioners of Sacred Hearts to support our parish.

By signing up for automatic giving from a bank account, parishioners who enroll in firstFruits are saying that their faith is a priority for them, the gift for which they are grateful and the sustaining of which they do not want to leave up to chance.

St. Pius X Enriched Living Facility in Amityville.

On September 19/20, we will have our special second collection for the retired priests of our Diocese who reside, or are recuperating at St. Pius X Enriched Living Facility in Amityville.

This collection is not to be confused with the Diocesan-wide second collection for retired religious held annually in June. That important collection exclusively supports the retirement needs of religious brothers and sisters who have lovingly served our Diocese. It does not provide support to the retirement needs of our Diocesan priests.

A brochure highlighting the St. Pius X Enriched Living Facility may have been mailed to you, or may be found in church today. Please take a brochure and prayerfully consider a donation to the St. Pius X Enriched Living Facility Fund. You may use your envelope to place this donation in the mail or drop in the collection basket next weekend, the weekend of September 19/20.

On behalf of all the priests serving our Diocese, I thank you for your concern and generosity.

Evangelio de hoy, momento culminante de Marcos - Los primeros ocho capítulos esclarecen el misterio del Mesías y la segunda parte, del octavo para adelante, San Marcos quiere esclarecer el misterio del Hijo del Hombre. Son dos calificativos de

Cristo, que Cristo mismo se encargó de empalmar. Ese empalme, precisamente, es el que encontramos hoy, cuando culmina la primera parte con la confesión de Pedro: "Tú eres el Mesías"; y la segunda parte ya se inicia cuando Cristo comienza a explicar qué clase de Mesías es Él: un Mesías sufriente. Y enseña a Pedro y a los apóstoles cómo es su mesianismo.

En esta cumbre del evangelio de San Marcos nos encontramos hoy. Es interesante que si venimos cada domingo a aprender el misterio de Cristo, hoy salgamos de nuestra Misa con la convicción de Pedro: "Tú eres el Mesías", pero al mismo tiempo enmendando nuestro concepto falso que tal vez tenemos por las propias instrucciones de nuestro Señor Jesucristo: ¿qué clase de Mesías soy yo? *Tomado de la Homilía de Mons. Oscar Romero, 16 de Septiembre de 1979*
