Pastor's Letter

Learning to Love

April 9/10, 2016

Dear Parish Families,

The gospel for this Sunday is one of the most tender and intimate of all the resurrection appearances. After appearing to his disciples during a miraculous catch of fish and breakfast on the beach, Jesus turns his attention to Peter. Three times he asks Peter, "Simon, son of John, do you love me?"

This passage of scripture is not hard to interpret: Three questions about love in their first face-to-face meeting after Peter's denials and Jesus' death. This is Peter's forgiveness and his healing. But there is something more.

In the Greek language of the gospel, the words used for love have a meaning not easily seen in our English translation. When Jesus asks Peter "Do you love me?" in the first two questions, he uses the word *agape*. Peter answers, "Yes Lord, you know I love you," using the word *philos*. *Agape* signifies the greatest depth of love, God's love, unconditional love. *Philos*, though similar in many ways, has a different meaning: brotherhood, companionship, friendship. It is not unlike someone asking "Do you really love me?" and hearing back "Sure, I like you a lot!"

In the last question, it is Jesus who changes. When he asks a third time, "Do you love me?" Jesus uses *philos*. Peter's word. Is this bit of wordplay important? Most scripture scholars tell us not to make too much of it. But there is no question that Peter is being invited into a love that is more powerful than what he can easily appreciate. How will he learn this? Jesus says "Feed my lambs," tend the others entrusted to you with an open, compassionate, and merciful heart. This love would claim all of Peter's life and he would eventually, like Jesus, lay down his own life for his sheep.

These past two weeks, I have travelled with 21 members of our community on a pilgrimage for this Holy Year of Mercy. Travelling through Italy in the footsteps of Saint Francis and Pope Francis, we have come to discover what mercy is about. The call of this holy year seems simple. Be merciful. But there is more to it. Be merciful like our God is merciful.

Each of us would probably answer Jesus and say "Yes Lord, you know I love you," if we stood for a moment in Peter's shoes. We would then hear Jesus say: "Feed my lambs, with tenderness, compassion, and mercy."

Sincerely yours in Christ,

Fr. Mike

Have you been away from the Church?

Thinking about coming back?

Do you know someone who wants to come home to the Catholic Church, but is struggling with their faith? Maybe you or someone you know has experienced one of these thoughts:

I grew up Catholic, but for some reason I just sort of stopped going to Church...

I just moved here, I would like to become more involved...

I tried going to a couple different parishes, but I never felt welcomed...

I just don't understand what the Church teaches! Some teachings seem so outdated...

If you have experienced one of these situations or thoughts you are not alone.

The Welcome Home Program is designed for Baptized Catholics who have been away from the Church, those who are Baptized and thinking about receiving the Sacrament of Confirmation, those who are looking for a small group setting to reconnect with their faith.

Meeting on Wednesday Nights at 7:00 P.M. – 8:30 P.M. for four weeks:

April 20, 27, and May 4, 11 in the Meeting room of the Parish Center.

In Nomine Domini Renewal Report

The Dream Becomes a Reality!

After the wonderful celebrations of Easter our basilica church will be closed for about 3 weeks as we bring the In Nomine Domini renewal to reality. During that time daily mass will be held in the Rectory chapel and Sunday mass in the auditorium of our Parish Hall. Here is an outline of our progress to date and plan for the completion.

Work Completed last summer and fall:

The Bell tower renovation was completed last year.

New Lighting installed in historic chandeliers. Our church is brighter and now using less electricity. With all lights on we use just 1,500 watts as opposed to 24,000 watts before the upgrade.

An entirely new electrical service was completed just before the New Year.

Recent completions:

The winter of 2016 has so far been the mildest in many years. This has been such a blessing for our In Nomine Domini projects. Not only have we all enjoyed the warmth, we have also been able to make great progress on our renewal.

- Just after Christmas we were able to pour the new foundations and begin framing on our rest room project. That space, adjoining our east side vestibule is now completely enclosed. We are hoping much of the exterior will be complete by Easter with the inside work following during the church closure.
- February, usually a month too harsh for outside work, was mild enough for our five geothermal wells to be installed. These were installed in the parking area behind the church.
- We made progress on the new heating system. Our HVAC contractor was also able to install part of the new radiant heating system under the church. No matter what the next winter brings the basilica will be toasty warm! We are well ahead of schedule!

The Day After Easter:

First all the pews will be removed and taken to the refinisher. This work will take about a month but the main body of pews will be coming back around the third week of April

- While the pews are out we will refinish the flooring and remove the old carpet.
- The radiators (23 of them!) will be removed and replaced with the new heating and cooling units. These will be finished to match the historic oak interior of the church.
- After these units are installed in the body of the church the HVAC crew will turn its attention to the boiler room and space under the church. The entire boiler room will be refinished and all the old steam equipment and pipes will be removed.
- While the crew is working under the church we will begin the process of reinstalling the pews and laying new carpet.
- During this time finishing work will continue on our rest rooms.
- The overall plan is for us to be back in our Church with new carpeting, newly finished pews, new kneelers and a ready to go HVAC system by Ascension Thursday, May 5.

Heating / Cooling Units -- The Key to our New System

23 Radiators like the one above will be removed. They will all replaced with modern heating cooling units like the one being held in place for a trial fit. When these are painted and finished they will all but disappear and we will have the heat and cooling we need.

The St. Bernard League.

Everyone knows the challenges that inclement weather can present to even the most prepared among us. But, when a family member is facing the challenge of illness or a diagnosis of cancer, or the exhaustion that treatments and doctor visits can bring, or the loneliness that a caregiver can feel when their whole world has been turned upside down, *everyone* could use a little extra tender loving care.

The St. Bernard League would like to expand its mission to include creating 'baskets of love' for those parishioners who could use a little extra love to carry their load. Won't you consider donating gift certificates to some of our local restaurants for a family to have a meal delivered after a long day at the doctors....or to Stop and Shop so that they can order groceries from Pea Pod....Imagine receiving a 'basket of love' at a time when you're feeling most alone.

These baskets could be created by your family and brought to the parish Social Ministry Office to be distributed to those we know need our love. Your heart and imagination will be your guide.

____ I/We would like to be included in the prayers for the sick.

____ I/We would love to help organize and create 'baskets of love' for parishioners who are facing illness and could use a little pick me up. We will bring the basket to the Parish Social Ministry Office.

Saturday April 16, 2016 10:00 AM in Chapel Room of Parish Center

Pope John Paul II referred to the Holy Eucharist as "the greatest treasure of the Church," and yet even many devoted Catholics have a very limited understanding of this powerful sacrament. This film will change all that. The viewer will come away with a completely new awareness that the Eucharist is not just about receiving Communion; it's about transforming your daily life.

Deeply based on the Scriptures, the writings of the Saints, and the teachings of our two most recent Popes, this profound and remarkable film will introduce you to some of the "hidden" truths of the Eucharist truths that have always been embraced by **theologians, saints, and mystics, but have rarely been passed on to the average person in** a meaningful way. In *7 Secrets of the Eucharist*, these truths are finally made accessible to all, as author Vinny Flynn shows how each reception of Holy Communion can be a life-changing experience.

En Camino HACIA EL V ENCUENTRO

Los Obispos de los Estados Convocan el V Encuentro Nacional de Pastoral Hispana/Latina -

El Subcomité de Obispos para Asuntos Hispánicos convocó al liderazgo de la pastoral hispana/latina a entrar una vez más en el proceso de Encuentro. La convocatoria se dio en el contexto de la Nueva Evangelización y enfatizó la importancia de involucrar a la juventud hispana/latina inmigrante, y de segunda y tercera generación en el proceso. Los obispos Arturo Cepeda, Gerald Barnes, Nelson Pérez y el arzobispo Gustavo García-Siller fueron elegidos por el Subcomité para acompañar más directamente el proceso de Encuentro.

El obispo Cepeda expresó que los encuentros han sido la columna vertebral en el desarrollo de la pastoral hispana/latina y nos han dado la oportunidad de interpretar y proyectar hacia el futuro nuestra propia identidad, presencia y contribuciones a la Iglesia y a la sociedad en Estados Unidos.

El liderazgo recibió con entusiasmo el llamado y expresó su compromiso de caminar hombro con hombro con los obispos en el proceso de Encuentro. También se identificaron valores importantes para poner en marcha el proceso tales como: representatividad, participación, pastoral de conjunto y un constante espíritu de oración. De manera especial se enfatiza que un V Encuentro retome la metodología de ver, juzgar, actuar, celebrar y evaluar utilizada en el II y III Encuentro. Para más información sobre el V Encuentro visite su sitio de web <http://vencuentro.org/es>.

La Obligación Pascual - Todos los católicos ya iniciados en la Sagrada Eucaristía tienen la obligación de recibir la Sagrada Comunión por lo menos una vez durante la temporada Pascual: Domingo de Pascua, 27 de marzo, hasta Pentecostés, 15 de mayo. (En los Estados Unidos, la Obligación Pascual puede cumplirse hasta el domingo de la Santísima Trinidad, 22 de mayo). Se exhorta a los católicos a que reciban la Comunión con la frecuencia que les sea posible durante el año litúrgico, no solo durante la temporada pascual. Sin embargo, "Quien tiene conciencia de estar en pecado grave debe recibir el Sacramento de la Reconciliación antes de acercarse a comulgar." (CCE, §1385)
