Palm Sunday 2017

## Days of Fire

Dear Parish Family,

Palm Sunday is a day which has captured the imagination of Catholics for millennia. It commemorates the triumphant entrance of Jesus into the holy city of Jerusalem only days before his passion and death. For us it marks our entrance into the holiest week of the church year. Although these days are undoubtedly the most important feasts of our faith, our church has never treated them as days of obligation and consequently only a minority of Catholics attend each year. So this week I write to you a word of encouragement to enter more deeply into this holy week, not out of mere obligation but out of love and respect for the important mysteries we celebrate.

Holy Thursday commemorates the institution of the Eucharist. It profoundly connects the Eucharist to simple acts of loving service. And so we remember Jesus' washing of the disciples' feet. It is a powerful and moving celebration. We are most happy this year to welcome Bishop Nelson Perez as our celebrant for this mass.

Good Friday remembers the suffering and dying of Jesus. In embracing our human condition, our Lord knew human suffering and death. On this day we try to see meaning in the most difficult of human experiences: our own suffering, grief, and death.

This year we continue our **Living Stations of the Cross** service at 7:30 on Good Friday. This service follows the pattern of stations of the cross but the stations are acted out by young people of our parish and there is a beautiful music program for each station. There will also be parishioners who will share a reflection on their own journey of the cross.

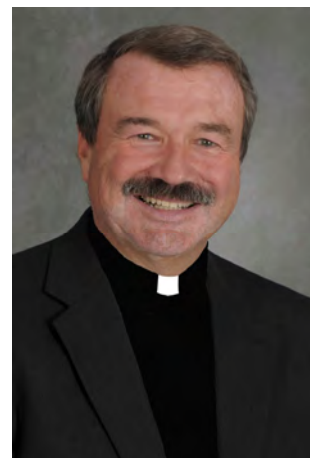

The Easter Vigil Mass is rich in symbols of the Lord's resurrection: fire, water, and the baptism and confirmation of adults. There is no more powerful liturgy anywhere in our church year. Easter Masses are filled with signs and symbols of newness and life.

So I extend to you an invitation. Invitations are always better than obligations. I can only tell you to come and see, to be open and to experience. If you have never attended the liturgies of this most holy week, then perhaps this year is your year to begin.

Sincerely yours in Christ,

*Fr. Mike*

**RCIA :: Pray for our Confirmation Candidates who will be welcomed into our church next week at the Easter Vigil**

**Anthony Llivisaca**

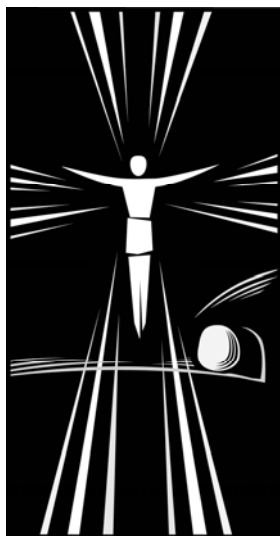

Faith has helped my family and me through difficult times, confirmation affirms my devotion and strengthens the bond between myself and the Christian community. Confirmation is another sacrament that all Christians will have in their lives, another connection stretching beyond the physical world to the corporeal.

**Andrea Wienecke**

I was born in Coram, the youngest of four children and received my elementary education at Our Lady of Wisdom (formerly Infant Jesus) in Port Jefferson. A move to Southampton in middle school as well as a serious family illness caused a disruption in my religious education. I always felt like something was missing because I had never been confirmed. About a year ago I started looking into ways I could become more active within the parish and began the RCIA classes to receive the sacrament of Confirmation and deepen my relationship with God.

## Be A Year Round Friend and Supporter of SHJM

It's that time of year when the days get colder and a time when many SHJM parishioners have active plans. The migration of summer visitors, people heading to warmer climes for the winter, vacations, and travels all diminish the numbers of those who are able to worship here each week. But please remember that our parish itself is here year round and we never take a break from service and ministry. Last year we began a program of planned, automated giving, called First Fruits. It was a huge success and well over 10% of our supporters participate in this way. It enabled our parish to maintain a more consistent year round income. Automated giving can help insure that our parish remains strongly supported. So here are some ways you can do this:

**First Fruits:** The easiest, and best if you are technologically challenged is to enroll in First Fruits. All you need to do is give us a void check and fill out a First Fruits Form. You can get one on our website, at the rectory, or at the back of church. First Fruits transfers a contribution either weekly or monthly from your checking account to the church.

**Online Bill Pay:** Chances are your bank already had a online check writing service called Bill Pay. If you have online access to your checking account you can set it up to write a regular check to SHJM. Just visit your online banking site and set it up for the contribution you desire. Remember to include your Envelope Number.

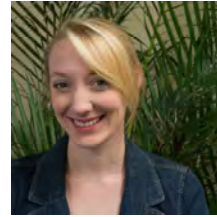

**Pay Pal:** Pay pal is another way you can make regular contributions. Soon it will also be a way that you can contribute using Credit Cards. Check our website and check back here for more information.
