Pastor’s Letter
July 27/28

Dear Parish Family,

In numerous places in the gospels, Jesus encourages his disciples to ask God for what they want and it will be given to them. Does that really work? Well I suppose the answer to that is no, at least given the fact that I am not the owner of beachfront property in the Hamptons!

But seriously, although I never thought asking God would work like that, there seem to be many unanswered prayers for much more worthy requests: peace in our world, health for sick family members, employment for workers, and so on. How do we reconcile this with Jesus words: “Ask and you shall receive?”

Along the way I have heard some very interesting theories about this:
1. God only answers our prayer if we ask for what we really need. (Don’t we really need world peace?)
2. God only answers prayers if we ask according to God’s will. (Seems too complicated for me!)
3. God only answers prayers if we are truly deserving. (I am starting to feel that Catholic guilt!)
4. You can add your own version here…

More likely, Jesus’ invitation to ask, seek, and knock is not simply a way to place an order with God — especially given the fact that Jesus also tells us that God knows what we need before we ask. It is about what happens to us in our relationship to God, and to one another as well, when we have the courage and simplicity to ask, seek, and knock.

First of all, asking, revealing our hearts deepest desire, can help us to be humble and open. It can help us to acknowledge that we do not know everything and that we want to be receptive and open to God’s will. Jesus himself prayed this way in Gethsemane when he asked God to take the cup of suffering from him as he prayed “but not my will but yours be done.”

Seeking, or thinking about what I really want, can help me especially to grow in relationships. A good friend who is a counselor often asks people who are working on improving a relationship to think about three things: What do I want for myself? What do I want for you? And, what do I want for us together? Holding these three questions together deepens love and friendship.

Knocking, asking another for help. One of the great struggles in modern life is the temptation to independence. The simple act of asking for help, knocking on the door of another's heart, almost always opens the door for both giver and receiver.

The posture of asking and receiving, seeking and finding, knocking and having the door open is not an invitation to have our way in the world. It is an invitation to live with hands, hearts, and minds open to God’s love.

Sincerely yours in Christ,

Rev. Michael A. Vetrano, Pastor

The St. Thomas More Fraternity of the Secular Franciscan Order, based here at the Basilica, is celebrating our 20th anniversary on August 11th. To mark the occasion, we are hosting the Hospitality Tent after the Sunday morning Masses that day. Stop by, say "Hi!", and consider signing up! For more information, see us at the Tent or contact Randy Miller at
We know and love the Catholic Faith because, over many years, women and men have practiced the Faith and passed it on to us. We “pay it forward.” We pass on the Faith by our attitudes and actions in many ways. Serving as a catechist is a particular way of doing this.

Registration for the 2019-2020 Religious Education Program is now in progress. Registration forms for the Fall have been mailed to all families that had a child registered during the past year.

If you are new to the parish or did not receive the registration forms, please visit our website (www.shjmbasilica.org) and click on the Sacred Hearts Religious Education menu. We also have forms available at the back of the church and at the rectory office.

Please help us to prepare by registering your child before July 31. We are looking forward to another great year - passing on the Faith.

If you have:
- love for the Faith that has been passed on to us
- experience working with young people, as a teacher, coach, leader, or any other capacity. Parents definitely qualify in this regard!
- time to serve our parish community on Wednesday afternoon 4:00-5:00, Wednesday evening 7:00 –8:00 PM or Sunday morning 10:30-11:30 AM.

please consider serving as a catechist. We need catechists for lower grades on Sunday mornings, for grades 3-6 on Wednesday afternoons, and for grade 7 on evenings.

If you would like more information, contact the office of Religious Ed. and Sister Cathy Stare at reled@shjmbasilica.org

During the summer months please contact the Religious Education office via email.
Each year we strive to restore and make improvements to our beautiful basilica church, to other parish buildings, and to the parish grounds. In 2016 we completed a huge project of air conditioning our church, building rest rooms, renovating our bell tower, and replacing carpets and lighting. Since then we have restored the beauty of our church doors, created a beautiful path and garden on the east side of our church, and created a new meeting space in our rectory office. Less inspiring, but just as necessary, we completed more than $60,000 of repairs to the heating system in our parish hall and rectory. Your summer generosity and the special gifts of parishioners and friends made this all possible. So what are our dreams for 2019-2020? Here are some things we are working on.

<table>
<thead>
<tr>
<th><strong>Church Roof Repairs</strong></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Our church roof, all natural slate, is fundamentally in good shape. But the places where the roof meets the Bell Tower and the covered portico are in bad shape. Both leak terribly during storms, which damages the interior walls and woodwork. Estimated repairs for these are $75,000.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th><strong>New Gathering Area in Front of Our Church</strong></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>The area in front of our main church doors has been redone many times over the last 112 years. Presently it is a mix of sidewalk, concrete squares, and brick. There are many cracks and uneven spots. The proposal is to replace and widen this entire area with natural bluestone pavers which will match and enhance the beauty of the entrance to our church. This is the most ambitious project this year and will take about $110,000 to complete.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th><strong>West Side Walkway</strong></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Improving the west side walkway to match the work done on the east side of the church will bring our church walkways to completion. The proposal is to use the same bluestone as is on the east walkway and to move it back from the church by several feet. This will allow more room for plantings which now overflow their beds onto the sidewalk. Cost will be $25,000.</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th><strong>Rectory Accessibility Project</strong></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>This fall, on a grant from the Dalessandro Foundation, we will be building two ramps and changing the elevation of the front door of the rectory so that it is completely accessible to all. While we have some funds available for the project, we would like to invest an additional $50,000 to improve our driveway between the buildings making it more beautiful and much safer.</td>
<td></td>
</tr>
</tbody>
</table>

If you would like to help us make any of these dreams a reality, please be in touch with Fr. Mike at pastor@shjmbasilica.org. Your love for Sacred Hearts can help us continue to grow into a more vibrant parish community.
