**Lent – How Is Your Journey Coming?**

We often look at WAZE or our GPS to see if we are going where we want to go. Lent is a journey and not a destination, so we want to make sure we are traveling along the right path. The path of prayer, fasting, and almsgiving helps us do a better job of loving God and loving our neighbor.

Talk with your family to see what you and your family have accomplished along the way so far and what you still need to do. Students in grades 1- 4, draw one action that you have done so far on the back of this paper.

**Prayer.** What's one way you have prayed so far during Lent? Was this something you had planned to do or was it a way of praying that you discovered along the way?

Regarding prayer, what are you still working on? What would you still like to do?
