

Activity #12 – Grades 1-4

Bring this completed paper to class with you on Sunday, May 1, 2022 or Wednesday, May 4, 2022. That is your last class for this year. Your catechist may ask you to email this activity to her/him before that time.

Name _____

New Life! At Easter We Celebrate Jesus' Resurrection

Because Jesus died and rose to new life, we celebrate hope and new beginnings at Easter. There is much new life around us in spring which reminds us of Easter. Draw a picture of something in your neighborhood or in your home where there is new life. Label your picture.

Ask an adult to tell you about something that symbolizes new life to her/him. What adult did you ask? _____. Ask the adult to write down why that is a symbol of new life and hope. _____

At the end of religious education class, you received a packet with soil and seeds. Plant the seeds right away according to the directions. Right before you come back to religious education in May, draw a picture of your plant so we can see how it grew. If your plant did not grow, then draw a picture of another plant that is growing. Why do you think it did or didn't grow? What is something that you need to grow? _____
