

Activity #13 Grade 8

Bring this completed paper to class with you on May 1, 2022 (Mrs. Arresta) or May 4, 2022 (Mrs. Terry).

NAME _____

Section 1: Watch Part 1 (7 min) & Part 2 (10 min) "The Disciplines of Being a Disciple" narrated by Chris Stefanick. These video presentations sum up the entire year. Pay close attention to the disciplines. Your journey continues. You were Chosen.

Section 2: Now that you know where you go from here, answer these questions in 3 or more sentences. Be expressive. Dig deep.

Do you understand that you are being called to be truly great? Why?

Will you commit 10 minutes to personal, focused time with God every day? Explain How?

Will you stay away from people who bring you down and focus on faith-filled people who are good for you?

If yes, how will you do it? If not, why?

Will you partake in the sacraments by attending Mass each week (to keep you connected to Christ and well "fed") and go to Confession (embrace God's unconditional love and grace for you)? Why is it important?

Will you use your gifts, talents and treasures to serve others? How?

Ask a parent or another adult what is one thing they value about their life of faith. Who is the adult you asked, and what is one thing of value for them?
