Name _____

"It Was Very Good" – Religious Education This Year

"It was very good" is how God sees us and everything else that God has made. God want us to deepen our friendship with God our Friend. So, we pray to thank God, ask God for help, or just tell God something that is important to us. God always listens!

For this activity:

1. Write a prayer that is meaningful to you.

2. Draw a picture of yourself saying the prayer that you wrote.

2. Ask an adult to write a prayer that is meaningful to them. What adult did you ask?
