Name _____

“It Was Very Good” – Religious Education This Year

“It was very good” is how God described all that God had created, including us! When we look at creation, we learn about God.

1. Take two pictures; each one is a picture of something that God created. For each one, write why that is a wonderful gift of God to you and what you learn about God from that gift. (You can email the pictures to your catechist or draw pictures if you prefer.)

2. We are grateful for all that God has given us. Write a short prayer and tell God three things that you are especially grateful for.

3. Ask an adult to tell you three things that they are especially grateful for, and write them down. What adult did you ask?
