

Activity #13 – Grade 6 – Mrs. Gilmartin

Bring your completed activity to class on Sunday, May 1, 2022.

Name _____

“It Was Very Good” – Religious Education This Year

“It was very good” is how God described all that God had created, including us! We were created by God so that we can have a relationship with God that is meaningful, personal, deep, and ever growing and changing. We can pray silently or out loud, alone or with or family or church, with prayers we have learned or prayers we write ourselves. You can thank God for blessing you have, ask God for help, or just tell God anything you want. For this activity:

1. Write a prayer that is meaningful to you. Take a picture of a place that is prayerful for you and insert it below, next to your prayer. Or, you can email the picture to your catechist or draw the prayerful place.

2. Ask an adult to write a prayer that is meaningful to them. What adult did you ask?

Then, tell each other what you liked about your prayer.
