We often lose things – our toys, our jackets, our homework and books, our sports equipment. We are unhappy when we lose things and we feel great when we find them. If you never lost anything, ask your parents if they every lost car keys or glasses or anything else and write about that.

What is one thing that you lost? How did you feel when you lost it? \_\_\_\_\_

Where did you look for the thing that was lost? \_\_\_\_\_

Draw a picture of yourself when you found the thing that was lost. Are you happy in this picture?

The Bible is a book that tells us many stories about how God made us and loves us. In the Bible, Jesus tells the story of a woman who had ten silver coins and lost one of them. She searched everywhere until she found it, and then she invited her friends over to celebrate! It didn't matter that she still had nine other coins—that one coin was special to her.

Just as this coin was special to this woman, we are special to God. It doesn't matter that God has millions (or even billions) of children all over the planet. Each of us is special to God.
