Name _____

We say “Thank you” when somebody does something for us or helps us. On Thanksgiving Day, we say “thank you” to God for the many things that God has given us.

On Thanksgiving Day we can thank other people, too.

Think of someone who helps you. Your family, your teachers, and your friends are some people who help you.

Then, choose one person and make a Thanksgiving thank-you card for them. On the card, draw a picture of that person helping you. Then write “Thank you” on the card. If you want, you can ask someone to help you write something else on the card.

Then, ask your mom or dad or another adult to put your card in an envelope and mail it to that person.

That is a very good way to celebrate Thanksgiving!

Who is the person you made the Thanksgiving card for?

Draw the picture here that you drew on the card, so your catechist and your classmates can see what you drew.
