Learn a Christmas Carol by Heart

A Christmas carol is a song that tells the story of Jesus' birth.

Choose one of the two Christmas carol below and learn it by heart. Ask an adult to find a video of the carol you chose on the internet. It can be fun to sing along with videos you can find online. Practice singing that carol with your family or friends until you know the entire carol by heart.

- **O Come, All Ye Faithful**
- or
- **Joy to the World**

You can google “Joy to the World love to sing or “O Come, All Ye Faithful love to sing” and use those videos to help learn the carol or use any video that you like. If someone plays an instrument, you may want to learn the carol by singing with that person rather than using a video. Learn the carol any way you like.

Talk to an adult and ask her/him what was their favorite Christmas carol when they were a child. What is their favorite carol now and why is it their favorite?

Draw a picture of the people you are singing with. Put the names of the people next to their picture.
