

Activity #3 – Grade 3 and Grade 4

Bring this completed paper to class with you on Sunday, November 15 or Wednesday, November 18, 2020, or the next time your class meets. If you are studying remotely, email a picture of your completed activity to your catechist.

Name _____

“Thank you” is a very important thing to say. We say “thank you” when somebody does something for us or helps us. On Thanksgiving Day, we say “thank you” to God for the many, many things that God has given us.

Thanksgiving Day is a good reminder to thank other people, too.

For this activity, think of the many people you are thankful for. These could be your parents, brothers and sisters, grandparents, godparents, aunts and uncles, teachers, friends, neighbors, or anyone else who helps you.

Then, choose one person and make a Thanksgiving thank-you card for them. On the card, draw a picture of that person helping you. Then write “Thank you” and write anything else you want.

Ask your mom or dad or another adult to put your card in an envelope and mail it to that person.

That is a very good way to celebrate Thanksgiving!

Who is the person you made the Thanksgiving card for? _____

Why did you choose that person? _____

Draw the picture here that you drew on the card, so your catechist and your classmates can see what you drew.
