This year, you will learn some of the stories from the Old Testament. These are stories that were told many years before the birth of Jesus. These stories tell us that human beings have always searched for God and that God has always been with us.

For this activity, watch the movie *The Ark* at <https://www.youtube.com/watch?v=hoTWA-jPbUQ>. This movie is about 1½ hours long, so you can watch it in sections if you like.

After you have finished watching it, write down one thing you learned by watching the movie:
