Signs of Belonging and Love

Baptism is a sacrament. It is a sign that we belong to God and we are part of the Catholic community of faith. With an adult, watch the 5:52 minute Baptism – Flame of Love video of some children being baptized at <https://brisbanecatholic.org.au/articles/catholic-baptism/>. In the video, you saw the parent or godparent holding the baby and the priest pouring water over baby's head.

Draw a picture of the priest baptizing the baby.

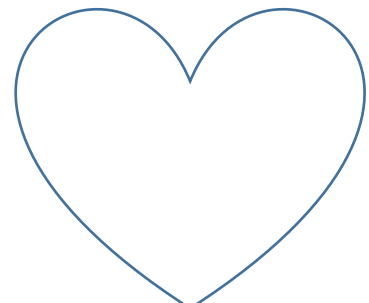

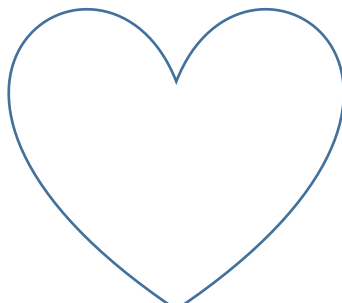

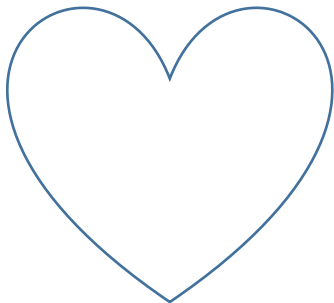

Ask your parent to tell you about your baptism.

What is your baptismal name? _____

Where were you baptized? _____

Who are your godparents? _____

There are many ways we experience God's love for us. Some people show us that love in special ways. St. Valentine was a priest who lived many years ago. His special job as God's helper was to marry the men and women who wanted to get married. That's why he is the patron saint of love and marriage. His feast day is February 14, which we call St. Valentine's Day.

In each heart, write "I love you" and put the name of a person you love. Color in the hearts. Then cut out the hearts and give them to the persons that you love. Ask a parent to take a picture of this activity before you cut out the hearts.
