Faith Can Bring Down a Giant

We trust people who are important to us and who help us. We have faith that they will take care of us. There are many people you trust and who take care of you.

How do your parents take care of you? _____

How do your teachers take care of you? _____

Who is someone else who you have faith in because they take care of you? _____

David lived a long time ago. He had faith that God would take care of him, even when he was in a difficult situation. God did protect David.

With an adult, watch the video <https://www.youtube.com/watch?app=desktop&v=pHO4tDjci5k>

Draw a picture of David
and the giant Goliath.

What is one time when it is important for you to trust God? _____

God takes care of us just as shepherds take care of their sheep. Ask an adult to say this prayer with you.

Dear God, you are my shepherd. You give me all I need.

You lead me to calm places and you renew my spirit.

You lead me in the path of goodness so I can follow your ways.

I will not be afraid because you are always with me.

Your goodness will be with me all the days of my life.

I will live in your heart and your love forever. Amen.
