How We Live the Law of Love

The Ten Commandments and all of Jesus' teachings can be summed up this way: Love God and love your neighbor. By "your neighbor," Jesus meant that we are to love and care for all people.

Sometimes it is hard to live Jesus' teaching. We need to make people feel welcome and not make fun of them or exclude them. Jesus asks us to be good to everyone, even when that is difficult. Jesus wants us to treat others as we would like to be treated.

In your copy of Venture for January 31, 2021, read pages 6 and 7. There are four stories there with difficult situations.

Read the four stories. Then choose one story and write about how you could make that situation better.

I chose story # _____. This is what I could do to make the situation better: _____

Is there a time when you helped make a difficult situation better? If you can remember one, write what you did.

Now ask an adult to read the four stories. What ideas does the adult have for making one or two of the situations better?
