

Activity #9 – Grade 7

Email a picture of your completed activity to your catechist before February 7 or February 10, 2021, your next Zoom class.

Name _____

What is God Like???

We believe that Jesus Christ, who walked this earth, is human and divine. Jesus teaches us a good deal about what God is like and also about what it means to be children of God.

An easy way to look up lines in Scripture is to go to the website <https://bible.usccb.org/bible>. For the New Testament, scroll to the bottom of the page. Click on the book you want, e.g., Matthew, Mark. The numbers of the chapters will appear across the top. Click on the chapter you want and scroll down to the verse. So, Mt 18:12-14 is Matthew, chapter 18, verses 12-14.

Read these short lines from Scripture. Then answer the questions that follow, based on the lines from Scripture you just read. Answer these questions in your own words.

1. Mt 18:12-14. How does God think about us when we do something wrong? _____

2. What one phrase appears in all these lines: Mt 17:7, Mt 14:27, Mt 28:10, Mk 6:50? _____

3. Read Luke 6:36-38 and explain how Jesus wants us to relate to one another.

4. Read Lk 4:18-19. What did Jesus understand that his task on earth was to do? _____

5. Based on the readings you did above, what would you say that God is like?
