Faith in Action

Activity #1 – Grade 5 and Grade 6

Bring this completed paper to class with you on Sunday, November 3, 2019 or Wednesday, November 6, 2019

Name _____

On November 1, we celebrate the Feast of All Saints. Saints are people who have loved God, have lived good and holy lives, and now share life with God in heaven. The saints now pray for us and encourage us to live good and holy lives each day.

1. Interview an adult and ask them who one of their favorite saints is. Write the name of their favorite saint. Ask the adult why that saint is very important to them and what message that saint has for our world today.

2. We are all called to be saints. All the good things we do help us to become the saints that God wants us to be. Write down some of the good things you have do to show how you are becoming a saint. Have you helped others? Done any service for your community? Do you pray for yourself and for others? Write down any of these things you do and any others you can think of.
