For Parents:

In this Faith in Action activity, we would like to introduce you and your child to some online learning. Our parish has purchased a subscription for all parishioners to a service called Formed.org. Formed is an excellent resource for Catholic teaching. Once you sign up you can use this website at any time to learn more about your Catholic faith. To sign up for Formed.org, go to shjmbasilica.formed.org. You will create your account with your email.

Please allow your child to create a Formed.org account or create an account yourself and do this activity with your child. Once you have an account, [click here](#) to go to the video Crux.

If you are reading this in hardcopy you can best find the link in the email you received or on the parish religious education webpage: shjmbasilica.org/reled.

Once on Formed.org, go to Browse ➡ Programs ➡ Youth Programs ➡ Anima for Youth ➡ Crux.

For Children:

1. Watch the video, Crux, on Formed.org.
2. In the video, Bishop Donald Hying says that moments of transcendence and beauty and peace can be far apart, but they tell us about the presence of God. Ask an adult to tell you about a time when s/he felt the presence of God in their life. Write about the experience that the adult described for you.

3. In what way would you consider your life simple right now? In what way do you find it complicated?

4. The word 'crux' can mean root, or heart, or core. Why do you think that the name of this video is Crux?
